ST CLARE CATHOLIC MULTI-ACADEMY TRUST**APPRAISAL POLICY AND PROCEDURE FOR EXECUTIVE AND SUPPORT STAFF****Commitment to Equality:**

- 1.2 This Appraisal Policy and Procedure does not apply to those employees who are employed under a contract of employment for less than one term and those who are subject to the Academy's Capability Policy and Procedure.

2. SCOPE

- 2.1 The purpose of this Appraisal Policy and Procedure is to establish a framework for a clear and consistent review of the performance of employees and for supporting their development within the context of the Trust's plan for improving educational provision and performance and in order to enhance professional practice. The review shall have regard to any applicable codes of practice or standards applicable to the employee's employment as referenced in their job description.
- 2.2 The Trust is committed to ensuring respect, objectivity, belief in the dignity of the individual, consistency of treatment and fairness in the operation of this Appraisal Policy and Procedure. This commitment extends to promoting equality of opportunity and eliminating unlawful discrimination throughout the Academy community which includes all of the academies in the Trust's group.
- 2.3 The Trust is committed to providing a supportive working environment for all employees through this Appraisal Policy and Procedure. Concerns about an employee's performance will always be addressed in the first instance through the operation of this Appraisal Policy and Procedure. Where it is not possible to resolve concerns through the operation of this Appraisal Policy and Procedure it may be necessary to consider whether to invoke the Academy's Capability Policy and Procedure in accordance with Paragraph 9.
- 2.4 This Appraisal Policy and Procedure does not form part of any other procedure but relevant information on appraisal, including Appraisal Reports, may be taken into account in relation to the operation of other applicable policies and procedures.
- 2.5 An employee is entitled to have access, by arrangement, to their personnel file and to request the deletion of time-expired records in line with the provisions of the General Data Protection Regulation and the Data Protection Act 2018.

- 2.6 The Trust delegates its authority in the manner set out in this policy.
- 2.7 The Trust is committed to ensuring that the operation of this Appraisal Policy and Procedure does not lead to an unnecessary increase in workload for employees and Appraisers. This Appraisal Policy and Procedure will always be applied in a way which is robust and fair, whilst monitoring the impact on workload for employees, Appraisers, Directors and Governors.

3. APPRAISAL IN A CATHOLIC CONTEXT

- 3.1 Appraisal will be a supportive and developmental process designed to ensure that all employees have the skills and support they need to carry out their role effectively within the context of the Trust's ethos. It will help to ensure that employees are able to continue to improve their professional practice and develop as professionals in their area of expertise.
- 3.2 Arrangements for appraisal will be conducted in such a way that employees will be secure in the knowledge that their progress and commitment to the Academy are acknowledged.
- 3.3 Appraisal is a time to celebrate achievement wherever possible, as well as for discerning where there is scope for development. Challenge is at the heart of the Gospels. Christ challenged all whom he encountered, each according to their needs and readiness.
- 3.4 This Appraisal Policy and Procedure offers opportunities to ensure justice for employees and pupils alike and has the potential for the expression of Christian qualities such as honesty, self-knowledge, respect for others and their gifts, recognition of the needs and achievements of others, challenge of self and others, personal growth and openness.

4. THE APPRAISAL PERIOD

- 4.1 The Appraisal Period will run for twelve months from 1st April 2022 to 31st March 2023.
- 4.2 Employees who are employed on a fixed-term or temporary contract of less than one year will have their performance managed in accordance with the principles underpinning this Appraisal

Policy and Procedure. The length of the Appraisal Period will be determined by the duration of their contract of employment.

- 4.3 Where an employee starts their employment with the Trust part-way through the Academy's usual Appraisal Period, the Headteacher (or Chief Executive Officer for new Trust central team support staff and executive staff, and the Chair of the Board for a new Chief Executive Officer) shall determine the proportionate length of the Appraisal Period for that employee with a view to bringing his/her Appraisal Period into line with the Academy's usual Appraisal Period (as per Paragraph 4.1 above) as soon as possible.
- 4.4 Where an employee transfers to a new post within the Academy or any other Academy within the Trust's group part-way through an Appraisal Period, the Headteacher (or Chief Executive Officer for new Trust central team support staff and executive staff, and the Chair of the Board for a new Chief Executive Officer) shall determine, in discussion with the employee, whether the Appraisal Period should be re-set and whether the Appraiser should be changed.

5. APPOINTING APPRAISERS

- 5.1 The table below sets out the persons to be appointed to appraise employee performance during the Appraisal Period depending on the employee who is being appraised:

<i>Employee Level</i>	<i>Appraiser</i>
Chief Executive Officer	A panel appointed by the Board in accordance with Paragraph 5.3.
Executive Staff (excluding the Chief Executive Officer)	Chief Executive Officer
Support Staff working in academies	An appropriate person appointed by the Headteacher
Trust Central Team Support Staff	An appropriate person appointed by the Chief Executive Officer

- 5.2 Appraisers should have received appropriate training for the role.
- 5.3 The Appraiser will set the employee objectives in accordance with Paragraph 6 below.

- 5.4 The Appraiser, through the Headteacher and/or Chief Executive Officer and/or Board, may seek advice from other external advisers including, but not limited to, the Diocesan Schools Commission.
- 5.5 Where it becomes apparent that an Appraiser appointed by the Headteacher or the Chief Executive Officer will be absent for the majority of the Appraisal Period, the Headteacher or the Chief Executive Officer may perform the duties of the Appraiser or delegate those duties to another employee for the duration of the absence.
- 5.6 Where an employee has an objection to the choice of Appraiser, their concerns will be carefully considered, where it can be reasonably accommodated, an alternative Appraiser will be provided.

6. SETTING OBJECTIVES

- 6.1 Appraisal objectives should reflect the Catholic identity and mission of the Trust and the values it proclaims¹ and Appraisers are expected to explore the alignment of such objectives with the Academy's priorities and plans, working at all times to ensure that the Catholic ethos is developed, preserved and maintained.
- 6.2 The Appraiser and the employee will engage in a professional dialogue with a view to agreeing a realistic number of objectives which shall be reasonably achievable during the course of the Appraisal Period taking into account the professional development aspirations of the employee. Objectives may be revised following discussion with the employee if circumstances change. The Academy operates a system of moderation to ensure that all appraisals are carried out in a consistent manner. Objectives will be moderated across the Academy and other academies in the Trust's group to ensure that they are consistent between employees with similar experience and levels of responsibility. Should the objectives not be agreed, a record of the employee's comments in relation to the objectives set shall be added to the appraisal documentation but the final decision on allocation of objectives rests with the Appraiser.

¹ Such values should include the principles of Catholic social teaching in respect of justice for all, the needs of the whole person, respect for the individual and the community and the preferential option for the poor. More information about these principles and how they might apply in the context of appraisal can be found in the CES User Guide.

- 6.3 The objectives set for each employee will, if achieved, contribute to the Academy's plans for improving educational provision and improving the progress, development and well-being of the pupils at the Academy. This will be ensured by a process of moderation across the trust.
- 6.4 Objectives, where met, should contribute to improving the progress, development and well-being of pupils at the Academy as understood in relation to the Catholic Christian nature of the Academy and so include the academic, spiritual, moral, social, emotional and cultural development of each pupil.
- 6.5 The objectives set will be Challenging, Specific, Measurable, Achievable, Realistic and Time-bound and will be appropriate to the employee's role and level of experience.
- 6.6 The Appraiser will take into account the Academy's work/life balance strategy and the effects of an individual's circumstances, including any disability requiring the implementation of reasonable adjustments, when agreeing objectives and Appraisers will include a review of an employee's workload in the Appraisal Report.
- 6.7 Following discussion between the Appraiser and the employee, set objectives may be revised by the Appraiser in accordance with the needs of the Academy and the employee, and any such revision(s) to set objectives will be recorded in writing and a copy will be provided to the employee.

7. REVIEWING PERFORMANCE

Appendix 1 sets out guidance on the way in which the appraisal process works in practice for executives and support staff whose main role involves work across the trust. Support staff whose main role is based at a school will refer to the relevant practice set out in that school.

Gathering Evidence

- 7.1 In order to review performance, the Appraiser will need to rely on the available evidence obtained in connection with the employee's performance. The evidence required will depend

on the employee's role and where possible, the evidence to be obtained should be agreed when the objectives are set.

- 7.2 When collecting evidence, the focus will be on using evidence which is readily available from day to day practice wherever possible.

Observation

- 7.3 The Trust believes that observation of work practice is important both as a way of reviewing employee performance in order to identify any particular strengths and areas for development as well as gaining useful information which can inform Academy improvement more generally.
- 7.4 All observation of work in practice will be carried out in a supportive fashion and will not lead to unnecessary increases in workload and all feedback will be developmental.
- 7.5 Employees will receive constructive feedback on their performance throughout the year and as soon as practicable after observation has taken place or other evidence has come to light. Feedback will include discussion with the employee, highlighting their areas of strength and areas that need attention and will determine any appropriate action required.

Development and Support

- 7.6 Appraisal is a supportive process which will be used to inform the employee's continuing professional development. The Trust wishes to encourage a culture in which all employees take responsibility for improving the Academy and all academies in the Trust's group through appropriate professional development. Professional development will be linked to the Academy's improvement priorities and to the ongoing professional development needs and priorities of individual employees.

Informal Support

- 7.7 An employee's line manager may identify concerns on an informal basis at any time about any performance falling short of the standards expected by the Academy and/or the Trust and/or the Local Academy Committee (as appropriate).
- 7.8 An employee's line manager may also provide informal advice and appropriate support which may include training, coaching, mentoring, counselling, monitoring, working in a professional learning community, learning and development opportunities, supervision, occupational health, arrangements for observation of lessons taught at the Academy or elsewhere or discussing practice with advisory teachers or other employees (as appropriate to the employee's role). These arrangements will take into account the employee's workload.
- 7.9 Informal support could include reaffirming the expectations that the Academy and/or the Trust and/or the Local Academy Committee (as appropriate) has of the employee and what support may be provided to help the employee to meet those expectations.
- 7.10 Informal support may be recorded in writing and may be referred to at a later stage as evidence of an attempt to address the concerns identified using informal support and the outcome of such an attempt. Where any informal support is recorded in writing, the employee will be provided with a copy of any written record and will be given 5 Working Days to comment on the written record in writing.

Alternative Support

- 7.11 There may be a situation where the employee's line manager and/or the Appraiser considers that a recent promotion or job change has been a contributory factor in any unsatisfactory performance. In such a case, informal support should be provided as described in Paragraphs 7.7 and 7.10 above.
- 7.12 If such informal support is ineffective, the employee's line manager/Appraiser may offer the employee the option of agreeing to voluntarily give up the promotion or job change as an alternative to proceeding with formal action pursuant to Paragraph 9 of this Appraisal Policy and Procedure.

8. ANNUAL REVIEW

- 8.1 Employees' performance will be formally reviewed in respect of each Appraisal Period by way of an Annual Review.
- 8.2 The Annual Review is the end point to the annual Appraisal Period but performance and development priorities will be reviewed and addressed throughout the year at interim meetings (which shall be conducted in person or via other appropriate medium, depending on the circumstances) which may take place as set out in the academy appendix (usually termly or once at the mid point of the appraisal cycle). Employee workload will be considered when determining the frequency of such interim meetings.
- 8.3 The employee will receive, as soon as practicable following the end of each Appraisal Period but in any event by 31st May, a written Appraisal Report. The employee will have the opportunity to comment on the Appraisal Report in writing.
- 8.4 The Appraisal Report will include:
- (a) Details of the employee's objectives for the relevant Appraisal Period;
 - (b) A review of the employee's performance of their role and responsibilities against their objectives and any relevant standards;
 - (c) An assessment of the employee's training and development needs and details of any action that should be taken to address them;
 - (d) A recommendation on pay where that is relevant;
 - (e) A space for the employee's own comments;
- 8.5 A review meeting will take place after the end of the Appraisal Period to discuss the content of the Appraisal Report and the employee's written comments in the Appraisal Report (if any), to decide any further action required, including setting a period for review of performance, and to inform objective setting for the next Appraisal Period.
- 8.6 Where it has not been possible for employees to fully meet their objectives because the agreed support has not been provided this will be taken into account in the review meeting.

9. EMPLOYEES EXPERIENCING DIFFICULTIES

- 9.1 It is the Academy's aim, when dealing with an employee experiencing difficulties, to provide support and guidance through the appraisal process in such a way that the employee's performance improves and the problem is, therefore, resolved.
- 9.2 Where it is apparent that an employee's personal circumstances are leading to difficulties at work, the Academy will aim to establish informally whether the reason is due to ill-health, lack of competence, misconduct or other mitigating personal circumstances. Support will then be offered and/or appropriate action taken as soon as reasonably practicable, without waiting for the Annual Review detailed in Paragraph 8. Support could include informal advice and appropriate support which may include training, coaching, mentoring, counselling, monitoring, working in a professional learning community, learning and development opportunities, supervision, occupational health, arrangements for observation of lessons taught at the Academy or elsewhere or discussing practice with advisory teachers or other employees (as appropriate to the employee's role). These arrangements will take into account the employee's workload.
- 9.3 If an Appraiser identifies through the appraisal process, or via other sources of information, that the difficulties experienced by the employee are such that, if not rectified, could lead to the Academy's Capability Policy and Procedure being invoked, the Appraiser, the Headteacher or a member of the senior leadership team, or for executive staff a member of the executive team, (as appropriate) will meet with the employee to:
- (a) Give clear written feedback to the employee about the nature and seriousness of the concerns;
 - (b) Give the employee the opportunity to comment on, refute, explain and discuss the concerns;
 - (c) Give the employee at least 5 Working Days' notice that a meeting will be held to discuss targets for improvement alongside a programme of support, and inform the employee that they have the right to be accompanied at any such meetings by a Companion;
 - (d) In consultation with the employee at the above meeting, an action plan with support will be established (e.g. coaching, training, in-class support, mentoring, structured observations, visits

- to other classes or schools or discussions with advisory teachers or other employees, (as appropriate to the employee's role), that will help address those specific concerns;
- (e) Make clear how progress will be monitored and when it will be reviewed; and
 - (f) Explain the implications and process if no, or no sufficient, improvement is made.
- 9.4 The employee's progress will continue to be monitored as part of the appraisal process and a reasonable time will be given for their performance to improve. The relevant monitoring period will depend on the circumstances but will usually be for a period of between 4 and 6 Working Weeks, with appropriate support as agreed in the action plan detailed in Paragraph 9.3(d) above in order that the aim of improving performance can be achieved. During this monitoring period the employee will be given regular feedback on his or her progress and arrangements will be made to modify the support programme if appropriate.
- 9.5 At the end of the review period referred to in Paragraph 9.4 above, if sufficient improvement is made, such that the employee is performing at a level that indicates there is no longer a possibility of the Academy's Capability Policy and Procedure being invoked, the employee will be informed of this at a formal meeting with the Appraiser. Following this meeting, the appraisal process will continue as normal. The employee will be given at least 5 Working Days' notice of such formal meeting and will have the right to be accompanied by a Companion. The outcome of such meeting will be confirmed in writing to the employee within 5 Working Days of the meeting taking place.
- 9.6 If no, or no sufficient, improvement has been made by the end of the monitoring period referred to in Paragraph 9.4 above, the employee will be invited to a transition meeting with the Appraiser to determine whether the Academy's Capability Policy and Procedure needs to be invoked or whether the appraisal process will remain in place. The employee will be given at least 5 Working Days' notice of such meeting and shall be entitled to be accompanied at the meeting by a Companion. The outcome of such meeting will be confirmed in writing to the employee within 5 Working Days of the meeting.
- 9.7 Prior to invoking the Capability Policy and Procedure, the Appraiser will seek to ensure that the employee has undergone an appropriate period of induction to their role, an up to date job description has been issued to them, professional standards and overall expectations of

performance have been made clear and the employee's performance has been monitored and feedback has been provided.

- 9.8 Whilst the Appraisal Report does not form part of any formal capability or disciplinary procedures, any relevant information from the appraisal process including the contents of the Appraisal Report may be taken into account by those responsible for taking decisions about capability and disciplinary matters.

10. APPEALS

- 10.1 Employees have a right of appeal against any of the entries in the written Appraisal Report and a separate right of appeal against a decision to invoke the Academy's Capability Policy and Procedure made in accordance with Paragraph 9.6 above. If an appeal relates to a decision about pay, the employee is referred to the Academy's Pay Policy and Procedure.
- 10.2 An appeal in accordance with Paragraph 10.1 must be made in writing to the Clerk and lodged within 10 Working Days of receipt of the Appraisal Report (which will usually be received in the review meeting referred to in Paragraph 8.5) or the date of the letter confirming the outcome of the meeting provided for in Paragraph 9.6.
- 10.3 The appeal letter must set out the grounds of the appeal in detail.
- 10.4 An Appeal Meeting will normally be held within 20 Working Days of an appeal letter being received by the Clerk.
- 10.5 For academy level support staff, the appeal will usually be heard by the Headteacher unless they have participated in the appraisal review which is being appealed, in which case the appeal will be heard by the Chair assisted by a representative appointed by the Local Academy Committee (if the Chair deems this is necessary).
- 10.6 For Trust central team support staff the appeal will usually be heard by the Chief Executive Officer unless they have participated in the appraisal review which is being appealed, in which case the appeal will be heard by another executive staff member appointed by the Chair of the Board.

10.7 For executive staff including the Chief Executive Officer, the appeal will usually be heard by the Directors' Appeal Panel appointed by the Chair of the Board.

10.8 The outcome of the Appeal Meeting will be confirmed in writing to you within 5 Working Days of the date of the Appeal Meeting. The decision reached following the Appeal Meeting is final and there will be no further right of appeal. The possible outcomes of an Appeal Meeting are any one or more of the following (as appropriate):

- (a) the entries made in the Appraisal Report are upheld;
- (b) the outcome of the meeting provided for in Paragraph 9.6 stands and the Capability Policy is invoked;
- (c) the appeal is upheld and any disputed entries in the Appraisal Report are referred back to the Appraiser for reconsideration;
- (d) the outcome of the meeting under Paragraph 9.6 is overturned and the appraisal process will continue as normal.

10.9 Where an appeal is against entries in the Appraisal Report and the outcome of a meeting heard under Paragraph 9.6, the appeals will be heard together. For the avoidance of doubt, it will be possible for the outcome of each appeal, where both entries in the Appraisal Report and the outcome of a meeting heard under Paragraph 9.6 are appealed, to be different.

11. DIRECTORS' APPEAL PANELS

11.1 Directors' Appeal Panels shall comprise three non-staff Directors not previously involved in the matter and shall not comprise the Chair or Vice-Chair unless there are insufficient numbers of non-staff Directors not previously involved in the matter, in which case the Chair and/or Vice-Chair may be appointed to a Directors' Appeal Panel but only where they have not been previously involved in the matter.

11.2 In the exceptional event that there are insufficient numbers of Directors available to participate in the Directors' Appeal Panel, the Trust may appoint associate members solely to participate in the Directors' Appeal Panel on the recommendation of the Diocesan Schools Commission.

12. COMPANION

- 12.1 Where a meeting is held under Paragraphs 9 or 10 above, you may be accompanied by a Companion.
- 12.2 You must let the person appointed to hold such meeting under Paragraphs 9 or 10 above know who your Companion will be at least one Working Day before the meeting.
- 12.3 If you have any particular reasonable need, for example, because you have a disability, you can also be accompanied by a suitable helper.
- 12.4 Your Companion can address the meeting in order to:
- (a) put your case;
 - (b) sum up your case;
 - (c) respond on your behalf to any view expressed at the meeting; and
 - (d) ask questions on your behalf.
- 12.5 Your Companion can also confer with you during the meeting.
- 12.6 Your Companion has no right to:
- (a) answer questions on your behalf;
 - (b) address the meeting if you do not wish it; or
 - (c) prevent you from explaining your case.
- 12.7 Where you have identified your Companion and they have confirmed in writing to the relevant person appointed under Paragraphs 9 or 10 that they cannot attend the date or time set for the meeting, the meeting will be postponed for a period not in excess of five Working Days from the date set by the Academy to a date or time agreed with your Companion. Should your Companion subsequently be unable to attend the rearranged date, the meeting may be held in their absence or written representations will be accepted.

13. TIMING OF MEETINGS

The aim is that meetings under this Appraisal Policy and Procedure will be held at mutually convenient times but depending on the circumstances meetings may:

- 13.1 need to be held when you were timetabled to assist with lessons (if that is appropriate to your role);
- 13.2 exceptionally be held after the end of the Academy day;
- 13.3 not be held on days on which you would not ordinarily work;
- 13.4 be extended by agreement between the parties if the time limits cannot be met for any justifiable reason.

1. VENUE FOR MEETINGS

Any meeting held under Paragraph 9 or 10 may be held off the Academy site to minimise any distress to the employee.

2. ASSISTANCE

Where matters fall to be decided under Paragraphs 9 and 10, the Diocesan Schools Commission may send a representative to advise the Trust.

Appendix 1

Additional Guidance on the appraisal process for executives working across the trust

Timeline

Final reviews will typically take place during March. Your appraiser will arrange a final review meeting with you. Appraisers should provide good notice of the meeting to allow the appraisee to prepare.

Executives should submit to appraisers any written notes they wish to be considered in the final review at least a week in advance of the final review meeting.

Agenda for the final review

1. Consider the impact of the appraisee's leadership on the performance of the trust. The agreed objectives and associated 'statements of success' should provide the framework for this discussion, though the wider self-evaluation of trust performance can help to provide a wider context.
2. From the above review, agree notable areas of success and achievement, areas where the appraisee has developed and areas for improvement.
3. Identify and agree objectives for the year ahead (see notes below).
4. Agree 'statements of success' that can be used to evaluate the extent to which objectives are achieved across the year. This may be finalised following the final review meeting.

Guidance on setting objectives

The purpose of the objectives is to provide a sensible framework within which to consider the impact of the work of the appraisee on trust performance over the year. Objectives should also provide a framework to recognise professional development and growth of the appraisee.

Objectives should consider trust priorities and what they ask of the appraisee. They should also include consideration of personal areas for improvement, particularly where these are likely connected to success in trust priorities.

There is not a limit or a minimum target for the number of objectives, though three is a sensible starting point.

Use of Evidence

The evidence used in appraisal be based on the agreed 'statements of success' connected to each objective.

Sensibly, these statements should draw on evidence routinely produced as part of the cycle of review and evaluation across the trust, considering:

- The extent to which the trust is living up to its distinctive Catholic Christian mission
- The quality of education and care provided across the trust, again in the context of the distinctive mission and ethos of our schools
- The financial performance and stability of the trust

Examples of data that might be used include:

- Student outcomes (progress, attendance, destinations, etc) compared to national
- Ofsted performance
- Performance against agreed financial benchmarks and KPIs

Guidance for use of evidence to inform pay progression decisions when relevant

As set out in the Executive Pay Policy, where an Executive Leader is not at the top of the pay range for their post, pay progression should be considered annually. This will be informed by appraisal.

Pay progression will be based on the extent to which the appraisee has shown development in their knowledge and/or skills so that they have greater capacity to positively impact the performance of the trust.

In order to evaluate this, attention should be given in the setting of objectives to consider where this development might occur and how its impact on the trust can be observed.
